GAGGENAU **EXPRESSIVE SERIES**

Two frames, one circle, a piece of art.

THE NEXT ICONS OF GAGGENAU

Where artistry meets functionality

The Gaggenau Expressive series, inspired by Bauhaus principles and modern architecture, showcases bold, sculptural forms. Each element a stroke of design genius. The outer frame of the Gaggenau Expressive series delineates a clear boundary with its kitchen environment, while the inner frame cradles the innovative passepartout: Gaggenau Stainless Steel behind smoked glass, harmonizing strength with elegance.

The Gaggenau Expressive series is for those who understand that every millimetre of the milled chamfer and the weight of the metal speaks volumes of the craftsmanship behind the design.

| Explore the Gaggenau Expressive series at gaggenau.in

The Gaggenau Expressive series combi-microwave oven, oven, and culinary warming drawer.

FRAMING PERFECT SYMMETRY

Designed to perform

The Gaggenau Expressive series exhibits a ground-breaking commonality: a purist cavity designed for maximum functionality. The high-performance bottom heat system, full surface grill behind enamel and three-point core temperature probe ensure an exceptional, bespoke cooking experience.

Strategic lighting illuminates culinary masterpieces without glare, while the control ring, "floating" upon the display, meets both the culinary and aesthetic needs of the discerning chef.

To retain its designer looks, the convenient pyrolytic self-cleaning effortlessly removes residues in under 4 hours at 485 °C as our advanced heated catalyser leaves your kitchen smelling fresher and cleaner than typical systems.

Automatic cleaning system

THE COMBI- STEAM OVEN

Your most versatile appliance

Take control over humidity, heat and grill. Unlock culinary mastery with automatic programmes and setting recommendations, blending precision and creativity in your kitchen. The discretely integrated powerful full surface grill produces consistent results for a variety of dishes, while steam modes enhance texture and flavour, expanding culinary possibilities, all via a fixed water inlet or water tanks.

Keeping your stainless steel interior pristine is as simple as inserting a cartridge and starting the automatic cleaning programme. Convenient, effortless, immaculate.

THE COMBI-MICROWAVE OVEN

Versatile, efficient, creative

With a combination of microwave and hot air or microwave and grill plus circulated air, the chef can vastly reduce cooking time, without compromising either taste or appearance of the dish.

Special applications like “dehydrating” and “low temperature cooking” allow the chef to swiftly prepare a variety of healthy and delicious meals, enhancing both taste and nutrition. Unlock culinary mastery with automatic programmes and setting recommendations,

blending precision and creativity in your kitchen. Save and quickly access up to 30 of your favourite settings, making everyday cooking faster and more efficient.

The sleek design of heat-resistant glass base within a stainless steel cavity complements the glass and steel door. A door that, via the magic of the Gaggenau Home Connect app, can be opened with your voice.

The Gaggenau Expressive series combi-microwave oven

The Gaggenau baking stone

ACCESSORIES

The baker's secrets

Breads are one of the simplest foods, yet difficult to achieve in any but the best ovens. The use of the baking stone, which is capable of up to 300 °C, is the secret to a crisp crust and soft inside. It also makes the perfect Tarte Flambée and flat breads.

The three-point core temperature probe takes the guesswork out of large joints of meat or whole fish. It constantly measures the temperature at multiple points within the meat and keep you informed onscreen.

There are a number of accessories available to the chef, such as trays and pizza paddle, designed to complement your Gaggenau.

The three-point core temperature probe

The Gaggenau Expressive series fully automatic coffee machine

FULLY AUTOMATIC COFFEE MACHINE

Elevate your coffee experience

When creating your perfect coffee, you have two options: Classic mode for quick, simple preparation and Barista mode for professional-level customisation, where inputting the roast level of your beans will automatically adjust the grind and a variety of other parameters. These perfected settings can then be saved in personalised favourites, to be repeated quickly, easily, automatically.

Cleaning and descaling are also automatic, while intuitive animations and images provide clear, visual instructions on how to efficiently operate your coffee machine. Convenience, personalisation and precision turn a daily routine into a joy.

The Gaggenau Expressive series oven, fully automatic coffee machine with culinary warming drawer and combi-steam oven with culinary warming drawer

A selection of the coffees and teas that can be perfected

The Gaggenau Expressive series culinary warming drawer

The Gaggenau Expressive series culinary warming drawer

THE CULINARY WARMING DRAWER

Warm your cups, dishes and ingredients

Enjoy the precise and stable temperature control of six direct power levels ranging from 30-80 °C, along with four direct heating methods: preheating cups, plates or cookware, low temperature cooking and keeping food and dishes warm. The 28 cm height option boasts one of the largest drawer capacities in its class. Enhanced by a second-level grid, it maximizes space and enables the culinary management of multiple courses and elements.

The sleek push-to-open function offers straightforward, handleless opening with a light push: convenient and elegant. Every interaction, no matter how small, provides elevated function and not just ease of use, but enjoyment.

The 28 cm high Gaggenau Expressive series culinary warming drawer

GAGGENAU **MINIMALISTIC SERIES**

Two lines, one circle, a statement.

SHAPING INFINITE OPENNESS

Considered, quiet, confidence

The Gaggenau Minimalistic series is perfection, revealed through restraint. Every element distilled to its purest form. Two lines, one circle, a statement.

This is luxury at its most assured, expressed not in ornamentation, but in precision. From the handleless design to the display integrated behind glass, every element is considered, allowing the entire appliance to recede quietly into the background, becoming one with the surrounding space. The two-line ventilation profiles, crafted from milled aluminium with a subtle metallic sheen, exist in harmony – each line distinct, yet unified.

User experience is at the core. A floating ring. Intuitive. Effortless. Precise. Meticulously crafted from stainless steel, it is a tactile statement – where interaction meets instinct.

Gaggenau Onyx

THE ESSENCE OF MINIMALISM

Vision, realised

Experience the darkness of Gaggenau Onyx, with metallic flecks adding a further dimension to the flush-fitted appliances.

Minimalism is demanding. It requires the absolute unification of design, engineering and craftsmanship. The perfectly judged lines at the top and bottom of the glass door function as ventilation, as well as an aesthetic triumph.

The ring: a universally understood shape, its function is intuitive, its suspended nature provides an element of joy to daily activity. Anticipating intent, it illuminates the interface upon your approach, then responds to your touch; visually, audibly and haptically.

The display is restrained, informative as well as enjoyable. Invisible until use, it is customisable and informs you of your dish's or coffee's progress with a rising sun graphic that slowly fills the circle.

OVEN

The elevation of cuisine

The Gaggenau Minimalistic series represents form and function, not in opposition, but aligned.

Each element is refined to its most essential state: a high-performance full surface grill, out of sight behind the enamel, delivers a powerful, even heat from above.

Our extra-powerful bottom heating raises the baking stone to temperatures of up to 300 °C, creating the ideal conditions to achieve that perfect crust.

Performance that inspires confidence

The option of automatic programmes and the core temperature probe provide the chef with ease of use and absolute confidence in the cook of the dish. A dedicated air frying mode quickly delivers focused air circulation for evenly browned, crisp textures. And once served, the pyrolytic cleaning and heated catalyser effortlessly, and odourlessly, return the oven to its pristine, aesthetically-pleasing, state. Paired with a sophisticated lighting concept, warm white, diffused, unseen – yet illuminating every detail.

Gaggenau Minimalistic series combi-steam oven, oven and culinary warming drawer

Gaggenau Minimalistic series combi-steam oven

COMBI- STEAM OVEN

Unleash culinary creativity

Experience the power of steam, circulated heat and the discreet integrated full surface grill element that ensures perfectly consistent, evenly browned results every time. Combined with steam modes it creates dishes that are crispy on the outside and juicy on the inside, providing a versatile cooking solution for any culinary challenge.

The cleaning system makes maintaining spotlessness as simple as inserting a cartridge and setting the programme.

COMBI- MICROWAVE OVEN

Precise control, exceptional power

Blend microwave with hot air or with grill plus circulated air for quick, superb, browned results. Expand your cooking capabilities with special applications: "Dehydrating", for healthy snacks like dried bananas or drying herbs to preserve the taste. Use "low temperature cooking" for evenly cooked, juicy results in shorter time. These features open up new possibilities for creative and health-conscious cooking in your kitchen.

Gaggenau Minimalistic series combi-microwave oven

FULLY AUTOMATIC COFFEE MACHINE

Perfect your beverages

Choose your mode. Classic mode offers a convenient way to configure your daily beverage, while Barista mode is for professional-level customisation. Every aspect can be adjusted: water and coffee quantity, milk ratio, grinding level, brewing temperature and contact time.

Advanced cleaning and descaling features ensure the purity of your beverage and the impeccable operation of your appliance, relying on a manually filled tank.

These cleaning processes are automatically initiated as needed, discreetly following your beverage preparation.

CULINARY WARMING DRAWERS

Cook, warm, create

Experience exceptional temperature control with six distinct levels and four versatile heating modes, catering to a diverse range of culinary applications.

Gaggenau Minimalistic series culinary warming drawer

THE **ESSENTIAL INDUCTION**

THE ESSENTIAL INDUCTION

Less for a life of more

Today's kitchen is either part of a larger, open-plan, entertaining space or is the entertainment space itself. Appliances are a functional requirement, but for some, they become an aesthetic issue. The Essential Induction resolves this by integrating a high performance induction module beneath your choice of specially customised Dekton counter. The vast seamless surface is all the eye can, or wants to, see.

The Essential Induction illuminated dot with stainless steel control knobs

THE ART OF REDUCTION

Nothing but a dot, a surface, a knob

A distillation of the Gaggenau cooktop: total performance, without visual distraction.

The cooking zone centre light, 'the dot' is barely perceptible on the surface, only illuminating once 28 cm cooktop is turned on to reveal where to place the cookware or, afterwards, to indicate residual heat.

The heat-, stain- and scratch-resistant 12 mm thick Dekton stone surface is available in over 60 colours and finishes. Prepare, create, serve, eat, work, entertain and cook directly upon it. Magnetic enhanced surface protectors for your cookware reduce noise and keep your surface pristine.

Ceiling ventilation and the Essential Induction

Ceiling ventilation and three integrated induction modules combined with illuminated stainless steel

The classic Gaggenau illuminated stainless steel control knobs can be situated out of sight on the vertical surface, centred together or aligned with the cooking zones.

When combined with Gaggenau's ventilation within the ceiling, the designer creates absolute unobscured aesthetic minimalism.

VARIO COOLING

EXPRESSIVE SERIES

The pinnacle of cooling.

SET THE STAGE FOR THE EXTRAORDINARY

The extraordinary is never accidental. It is the result of intention, precision, and products that speak through both their expressive aesthetics and inner performance. Those who know understand that true perfection lies in the details, where modularity enables seamless integration, and where even the most functional elements are elevated. Because only by honouring the smallest of details can one truly make a moment memorable.

Vario refrigerator, freezer and wine climate cabinets Expressive series

Open for perfection

The Vario cooling Expressive series is not just a range of appliances. They are creations crafted for those who understand that preserving the essence of their culinary treasures must always be matched by an equally uncompromising commitment to aesthetics.

The best way to stand out is to fit in

Offering inherent modularity and the option of handleless integration, the meticulously crafted Vario cooling Expressive series brings refined sophistication and architectural precision to your kitchen. Conceived to resemble furniture, it allows for countless configuration possibilities, enabling you to curate a cooling ensemble that reflects your personal vision and cultivated taste. Every shelf and door bin can be precisely aligned to create visual continuity between refrigerator and freezer, ensuring a seamless composition when installed side-by-side. Because true design does not compete; it completes.

Dark brushed stainless steel inner liner and solid anthracite aluminium door bins

REFRIGERATION

Materiality, mastered

Inside, dark brushed stainless steel meets solid anthracite aluminium. Not for effect. For integrity. Each inner surface, each aluminium-framed glass shelf, each drawer is a testament to purposeful materiality. A quiet dialogue unfolds between craft and knowledge. Nothing is accidental. Everything is considered.

Effortless control

Every appliance within the Vario cooling Expressive series elevates your experience. Dedicated programmes optimise conditions for specific food categories, while animated quick guides simplify maintenance. With Gaggenau Home Connect, control your products remotely from any mobile device.

Ergonomically positioned full touch TFT display

Vario fridge-freezer combination and wine climate cabinet Expressive series

Vario wine climate cabinet, freezer and refrigerator Expressive series

ILLUMINATING PERFORMANCE

Preservation without compromise

The Vario cooling Expressive series houses a state-of-the-art, professional freshness system comprising a chilled drawer and up to two fresh climate drawers. Dedicated programmes with bespoke humidity and temperature control ensure your ingredients retain their essence. The icing on the cake is a freezing technology to protect your culinary treasures from freezer burn as well as oxidation.

A ceremony of illumination

Behind every door, warm-white, glare-free LED lights rise and dim in all compartments, adapting to their environment and your actions, revealing each bottle, each ingredient, each culinary creation with captivating clarity. This is more than light. This is revelation.
